YEARS**
QUALITY, INNOVATION, PERFORMANCE, INTEGRITY

The Place Diverter:

***Pleasure, Control, Performance, Visibility,
Safety, Fuel Economy, Easy Installation,
Guaranteed Satisfaction.***

“Highly effective in improving the performance of your boat under varying loads and water conditions. It’s the jet boaters equivalent of trim for your drive, and the results are dramatic.

**WE HIGHLY RECOMMEND IT FOR EVERY JET BOAT!” — *Hot Boat*
MAGAZINE**

A FUTURISTIC CONCEPT IN NOZZLE

PLACE DIVERTERS NOZZLE DESIGN WITH BUILT-IN RIDE PLATE™ WILL PROVIDE PLANING ACTION AND VIRTUALLY ELIMINATES DRAG CAUSED BY ALL REVERSES

The PLACE DIVERTER has been designed to provide the ultimate in performance, safety and pleasure and at the same time save

The UP-DOWN nozzle brings another dimension in control to the jet boat owner. Now the driver can control the bow attitude of the boat from fi

This added control makes skiing easier for both the skier and driver. The driver keeps the bow low for faster planing and better

The PLACE DIVERTER also allows a much slower planing speed, which is so essential when teaching a new skier, or for fuel ec

For the driver who has quickness and speed in mind, the PLACE DIVERTER is adjusted down for straight ahead, low bow takeoff and immediate plan

At high speed the driver adjusts the diverter to the up positions and the bow rises, this reducing the wetted area to improve top end

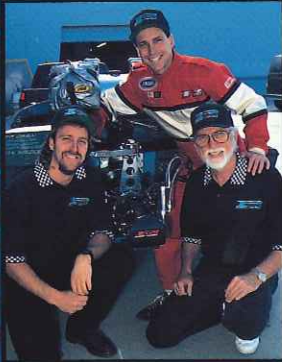

For the showoff (and who isn't) here is your chance to really live it up...Throw that exciting rooster tail which everyone adm

THE ORIGINATOR AND MANUFACTURER OF DIVERTERS FOR OVER 30 YEARS, OFFERS A BOLT ON NOZZLE THAT WILL PROVIDE THE JET BOAT OWNER WITH MORE C PERFORMANCE, SAFETY, AND FUEL ECONOMY THAN EVER BEFORE!
